Michigan Nature Association

This holiday season why not Give to Turtles or other special animals found in Michigan? You can show your support with a \$10 gift to the Michigan Nature Association. In return, we'll send you a certificate identifying the holder (add your name or someone on your gift list) as a proud sponsor of Michigan nature. The certificate, 8 ½" by 11" and suitable for framing, includes a photo of an important animal found in Michigan and is accompanied by a fact sheet with great information about that species.

Order online for the holidays by December 18 at <http://michigannature.iescentral.com/donations/Give-to-Michigan-Animals> – makes a great stocking stuffer for kids, grandkids, and nature lovers of all ages! Proceeds support MNA's mission to protect rare, threatened and endangered species in Michigan.
